REP. ADAM CLAYTON POWELL, D-N. Y. talks to newsmen outside a House Democrat caucus room at the Capitol after the group voted to strip him of the chairmanship of the House Education and Labor Committee. It was an unprecedented move aimed at a sitting committee chairman. (AP Wirephoto)

## Congress May Deny Powell Seat; Committee Job Gone

### Johnson To Call For More Great Society Aid, Draft Reforms

WASHINGTON (AP) — The 90th Congress convenes today and within hours will hear from President Johnson what he wants it to do this year.

The President is scheduled to deliver his State of the Union message in the House chamber at 9:30 p.m. EST, only 9½ hours after the first banging of the gavel for this less heavily Democratic Congress.

Congressional leaders expect Johnson to call for revisions of the draft law; continuance, probably with reduced fi-

—Sen. Joseph S. Clark of Pennsylvania, a liberal, and Sen. Robert C. Byrd of West Virginia, generally pro-administration except on civil rights, are the expected candidates for secretary of the Democratic Conference at a Senate Democratic caucus today. Sen. Fred R. Harris of Oklahoma dropped out Monday from the race for the No. 3 leadership post.

**Murphy Favored** —Sen. George Murphy of California and Sen. Hugh Scott of Pennsylvania are matched for Republican Senate campaign chairman at a party caucus. Murphy is favored. Republicans also are picking a Senate Conference chairman, probably Sen. Margaret Chase Smith of Maine.

—The House may battle over a rule adopted several years ago to keep legislation from being bottled up in the Rules Committee. Democrats voted Monday to retain it but Republicans want it modified to remove some of the speaker's discretion in using it.

—The Senate will not take up until Wednesday a bipartisan move to make it easier to cut off filibusters.

### All Networks

NEW YORK (AP) — President Johnson's State of the Union message to Congress, starting at 9:30 EST tonight, will be covered by the major television and radio networks.

The National Broadcasting Co., the Columbia Broadcasting System and the American Broadcasting Co. will carry the speech on both television and radio.

The Mutual Broadcasting System's radio network also will carry the speech.

### L. P. Walsh Of Ontonagon, Dies In Office Monday

ONTONAGON (AP) — Lawrence P. Walsh, Ontonagon County prosecutor and president of Ontonagon's First National Bank, died unexpectedly of a heart attack in his law offices Monday. He was 64.

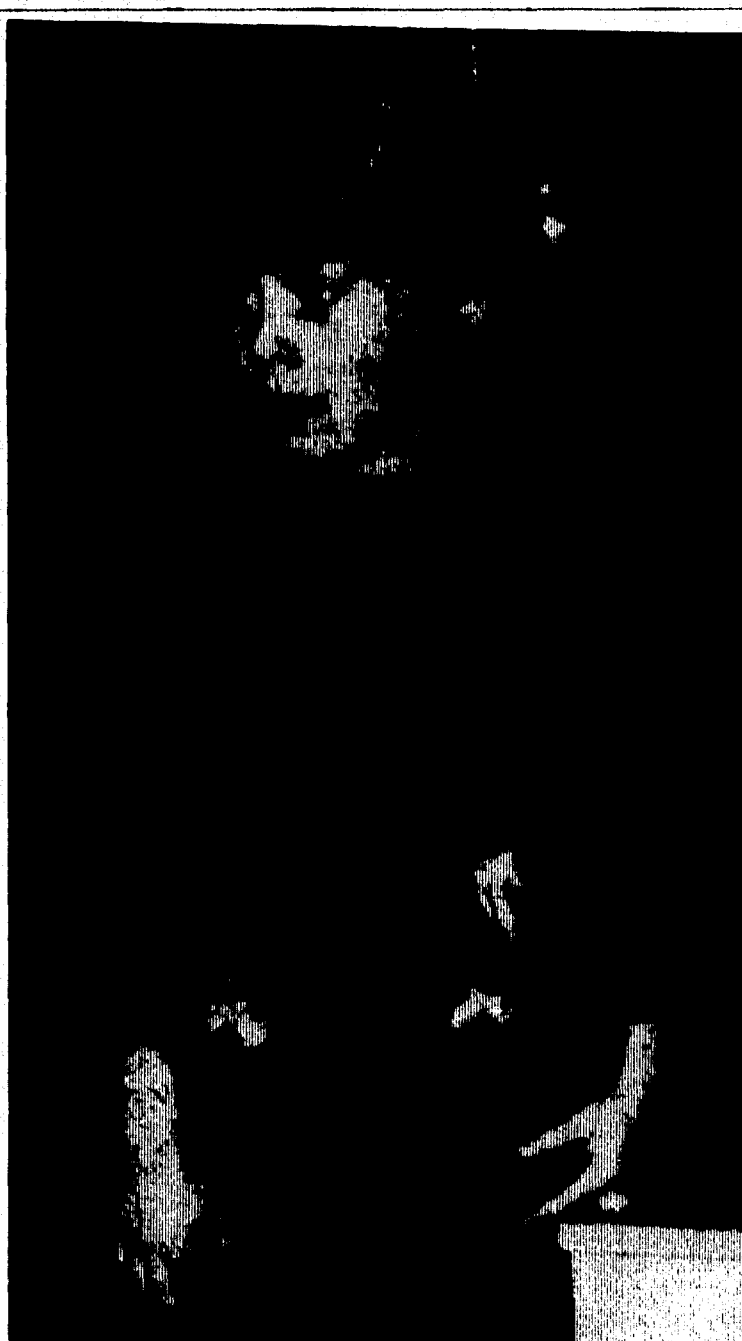

Walsh, long prominent in Democratic Party affairs in the Upper Peninsula, had returned only a short time earlier from swearing-in ceremonies for Donald Monro as judge of the Ontonagon-Gogebic circuit. The two men were partners in the law firm of Walsh & Monro.

Walsh also was owner of the Northwoods Timber Co. of Baraga and in his career had been a teacher, circuit judge, reporter and sawmill owner as well as lawyer and banker. He was a native of nearby Greenland and received his law degree from Marquette University. Funeral arrangements are pending.

Survivors include his widow and four daughters.

### Today's Chuckle

As one deer said to the other: "I wish I had his doe."

AFTER MONDAY'S court proceedings in Kingston, N. Y., 4-year-old Beth St. John still doesn't know if she will be adopted by Mr. and Mrs. Michael Liuni of Tillson, who have cared for her since infancy. The case was adjourned for a week. (AP Wirephoto)

### Negro Leaders Charge Racism In Disciplining

WASHINGTON (AP) — The House is expected to vote by nightfall on whether Rep. Adam Clayton Powell retains his seat in Congress.

Fellow Democrats ousted him Monday as chairman of the House Education and Labor Committee, an action which triggered this exclamation from the veteran Harlem congressman: "Jesus had only one Judas; I had about 120!"

Only hours earlier, he had been confidently telling friends and newsmen: "Keep the faith, baby!"

Monday's sidetracking of House Democratic leadership compromise plans seemed to add momentum to the drive by Republicans and some Democrats to bar Powell from his House seat pending an investigation.

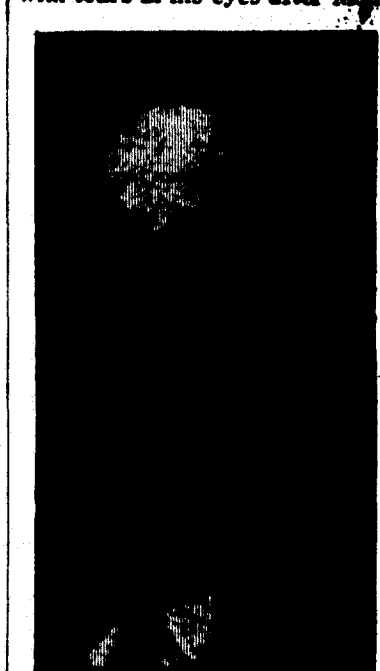

**Charge Racism** — Powell and many Negro leaders said racism was behind the attacks on him.

"A lynching, Northern style," was what Powell called the vote which booted him from the chairmanship.

"We're going to burn this country down — the Mau Mau's going to run this country," shouted a Negro identified as Charles X. of New York during a Capitol demonstration for Powell.

Those opposing Powell disclaimed any racial motive. They based their action on Powell's court troubles in New York—where he is subject to arrest—and a House committee's accusation of deception in his handling of committee travel funds.

Powell, visibly shaken and with tears in his eyes after Mon-

Rep. Carl D. Perkins

day's caucus, wouldn't say what his next move would be. "That's my business — and my people's business," he said. "We've got our plans."

**Moves Planned** — The moves of those who were talking apparently are to go like this today:

During the roll call for swearing in, Rep. Lionel Van Deerlin, D-Calif., is to object to Powell's seating. This would require Powell to stand aside until all other members are sworn in.

House Democratic leaders then plan to move that Powell be seated under certain conditions, including possibly an investigation. This would be the key vote.

If the motion loses, then either House Republican leaders or Van Deerlin — depending who is recognized by Speaker John W. McCormack, a foe of the anti-Powell moves — would move that Powell be investigated and barred from his seat in the meantime.

Only two congressmen-elect have been barred since 1899 — one for polygamy, another for three years until his seditious conviction was overturned.

Powell has already become only the fourth House committee chairman ever to be bounced, according to historical sources. His successor will be Rep. Carl D. Perkins, D-Ky.

### Favor Romney

GRAND RAPIDS (AP) — Two-thirds of the 2,400 persons casting votes in a bank-sponsored public opinion poll said they would like to see Gov. George Romney run for president in 1968.

## Yanks Open Biggest Offensive Of War

SAIGON, South Vietnam (AP) — A massive American force backed by planes, armor and artillery has launched the biggest offensive of the Vietnam war in an attempt to sweep the Viet Cong out of the jungled "Iron Triangle" 20 to 30 miles north of Saigon.

The objective is to capture a major headquarters complex of the Communists and to clear enemy troops from the tangled forests from which they menace the South Vietnamese capital.

Gen. William C. Westmoreland's command announced the

multidivision operation was launched at dawn Sunday. It said in the first three days 92 Viet Cong have been killed and 16 taken prisoner.

**Move Peasants** — The operation includes evacuation of up to 10,000 Vietnamese peasants living in the long-time Viet Cong bastion and their resettlement in other localities.

Westmoreland told newsmen that the enemy had changed his military strategy in 1966, but that his objective remains the same: "To unify Vietnam by force as a Communist state." In

a year-end review, he said the enemy strength in South Vietnam exceeds 280,000 men, and infiltration from North Vietnam has averaged more than 8,000 men a month.

Other than the drive in the Iron Triangle, no major engagements were reported by the U.S. and South Vietnamese commands.

**Marines Seek Cong** — U.S. headquarters said American Marines took sporadic mortar and small arms fire in their sweep of Thanh Phu Peninsula 55 miles south of Saigon in the Mekong Delta. But there has been no contact of any size since the Leathernecks landed last Friday, and so far only four enemy have been reported killed and five taken prisoner.

South Vietnamese headquarters reported 45 Viet Cong killed by government troops in repulsing two attacks on military posts 340 and 348 miles northeast of Saigon.

South Korea's Tiger Division reported 26 Viet Cong killed, 212 captured and 621 suspects pulled in during operation Maeng Ho 6, which has been going on since Jan. 3 about 13 miles south of Qui Nhon. The Koreans do not announce their own casualties.

**Air Quiet** — Continuing bad weather once again hampered the U.S. air offensive over North Vietnam, and American pilots flew only 60 strike and reconnaissance missions Monday.

### Anti-Vandalism Drive Hits Snag

BIRMINGHAM, England (AP) — A week-long campaign against vandalism was opened in a Birmingham exhibition hall Monday.

A few minutes later police were looking for someone who stole a box containing 800 badges saying, "I am lending a hand to stop vandals."

## News In Brief

CAPE TOWN, South Africa — South African Premier Balthazar J. Vorster talks today with Prime Minister Leabua Jonathan of Lesotho in an attempt to foster friendly relations between the two countries.

DUBLIN, Ireland — The National Farmers Association threatens Ireland's traffic with a three-day snarl unless the government provides higher price supports for farm products.

UNITED NATIONS, N. Y. — A Czechoslovak employee of the U. N., Evzen Vacek, is said to have returned home after published reports in the United States accused him of spying.

SANTA FE, N. M. — New Mexico Gov. David F. Cargo, a Republican, enjoys Peter Hurd's paintings. He named Hurd Monday to the New Mexico Art Commission.

THE HAGUE, Netherlands — Princess Margriet, third daughter of Queen Juliana and Prince Bernhard was married today to commoner Pieter Van Vollenhoven.

SAIGON, South Vietnam — Some deputies in the Constituent Assembly said today that the military government has promised not to make changes in the constitution they are to finish by March 27.

WASHINGTON — The Supreme Court ruled a citizen who has a valid passport cannot be criminally prosecuted for traveling to Cuba without government authorization.

WASHINGTON — Rep. John E. Fogarty, D-R. I., died suddenly today at the Capitol.

LANSING — Former State Sen. Carl W. O'Brien, D-Pontiac, has been named staff representative of the Michigan State Employees Union.

## House Split, Key To Harmony In Lansing

LANSING (AP) — The State Legislature meets Wednesday to open its first regular session and when the session will break up is anybody's guess.

The schedule for the House and Senate is determined by the majority parties from each house and is offered to both houses in the form of a concurrent resolution.

The schedule specifies such things as a deadline for requests for bills, a final day for introduction of bills, a final day for committees to report all bills in the house of origin and a final day for bills to be passed in the house of origin and transmitted to the other house.

It also sets a final day for committees to report all bills

originating in the other house, a final day for passage of all such bills and an adjournment date. Senate majority Republicans were expected to draw up recommendations for a schedule at a party caucus today.

However, organization of the house, equally divided between 33 Republicans and 33 Democrats, could play an important role in determining the schedule.

If Democrats win what could develop into a bitter fight over House leadership, they might not be disposed to go along with Senate Republicans in deciding on a schedule.

The single item most likely to prolong this session is tax reform.

Gov. George Romney has said the Legislature must take action on tax reform this year and should complete any such action by April 1 so legislation can go into effect July 1.

Lawmakers are divided on whether a tax reform measure can be passed at all—much less whether it can be done by April 1.

### Weather

By The Associated Press

## MIG Is Downed By Major Hirsch

Major Thomas M. Hirsch, whose wife is the former Helen Mae Schwalbach of Escanaba, is credited with being a member of F4C Phantom jet crews which downed two MIG 21s in North Vietnam on Jan. 6, it is reported by wire services from Saigon.

Major Hirsch, a graduate of West Point, pilot and aircraft commander, and three other men brought down the two enemy aircraft after a dogfight about 30 miles northwest of Hanoi.

The victories raised to 36 the number of MIGs and 21s reported downed in the war, against 10 U. S. jets downed by Communist planes.

One of the MIGs was shot down with a missile and the other was deliberately maneuvered into a fatal spin, but U. S. spokesmen in Saigon would

not discuss how Major Hirsch and his men had forced the second craft to crash.

Mrs. Hirsch, who resides at 2817 Halsted Road, Rockford, Ill., is the daughter of Mr. and Mrs. John Schwalbach of 234 S. 22nd St., Escanaba.

Major Hirsch has been in the U. S. Air Force 13 years, and is the son of Col. George Hirsch and Mrs. Hirsch of Hawaii. Col. Hirsch, now retired, is also a graduate of West Point.

The former Helen Mae Schwalbach and Thomas Hirsch were married in New York City about 17 years ago. They have four children, Dale, 16, and three sons, one 12, and twins, 9.

Major Hirsch and his family lived in England for seven years where his duties included checking the flying qualifications and abilities of other Phantom jet pilots in the unit.

Mrs. Hirsch and the children make their home in Rockford where her brother, Tom Schwalbach, is coach at West High School. The Hirsch's daughter, Dale, is a sophomore at West.

Major Hirsch has flown to Escanaba a number of times and was last here in the summer of 1966.

## March Of Dimes Telethon Talent Is Sought Here

The seventh annual March of Dimes Telethon will be conducted over WLUC-TV Jan. 28 and 29 with starting time 11 p. m. on the 28th and ending at 5 p. m. on the 29th.

Members of Local 218 American Federation of Musicians have given their support to the show.

The Central U. P. Life Underwriters Assn. headquarters in Escanaba will, as in past years, take care of the local headquarters at the Sherman Hotel. Persons interested in appearing on the telethon are asked to send their name, address, phone number, a description of the act and length to the March of Dimes Telethon, Box 636, Marquette, or to Myron T. Austad, chairman, Delta County, 2200 3rd Ave. S., Escanaba. Those acts requiring an accompanist or music will be required to furnish their own. Funds raised through phone pledges will provide medical care for children suffering from physical handicaps of birth defects and polio.

This year Delta County will experiment with something new and have a direct line to the television station and thereby get the local pledges announced as they come in. Deadline date for talent volunteers is Jan. 19.

## Harvey Assails U.S. Policies

MARQUETTE — With the style that has made him one of the nation's most listened to news commentators, Paul Harvey Friday night cut the Johnson administration's policies in shreds in an address before a capacity crowd in Kaye Auditorium at Northern Michigan University.

"The United States is now involved in a war in Vietnam that it is ashamed to lose and afraid to win," the commentator said, "and this country is attempting to carry the burden of the entire world on its shoulders."

Harvey's appearance was a highlight of the Marquette Jaycee's Outstanding Young Man of the Year presentation. Harvey's comments, geared for listeners of all ages, centered around the U. S. domestic and foreign policy.

"Uncle Sam has not got the capacity to serve as custodian to the whole planet," the ABC network commentator charged.

Poverty programs in the U. S. also fell under Harvey's skeptical spotlight. Nearly eight million persons in this country are now on the public relief rolls, he asserted. "I am not half so worried about the lousy Communists as I am about the lazy American."

The administration's poverty policies serve one purpose, he claimed—"to make the poor momentarily happy but permanently dependant."

In conclusion, Harvey addressed the young people in the audience. "You get no apology from me," he said. "The world has always been full of strife and you inherit this nation somewhat better off than my generation did."

"This is still the last land in the world where people are standing in line to get in."

## Shoppers' Town Picks Manager

Shoppers' Town, Inc., today announced appointment of Robert Bilecki, 28, a native of Chicago as manager of its Escanaba store.

The store had been managed by Shoppers' Town's co-owners Gordon Bean and John Dailey, but the growth of their chain and its demands upon them and the growth of the Escanaba Store called for a resident manager, they said.

Bilecki, who has had wide store operation experience and who has been in training for management at Shoppers' Town's Marquette store for the past year, came to the Upper Peninsula 8 years ago as a member of the Air Force. He served at both K. I. Sawyer and Kincheloe Air Force Bases. "That's how I found out about the U.P.," he said.

After leaving the service he was with the John Gately Co. store at Ishpeming for two years and was manager of Montgomery Ward Store in Kenosha for a year and a half.

Mrs. Bilecki is the former Gloria Solka of Ishpeming and they have a daughter, Pamela, 7. The Bileckis will make their home in Escanaba.

## Briefly Told

The Escanaba Civil Service Commission will meet in the City Hall at 4:30 p. m. Monday for a variety of business, including reports of examinations and appointments.

Memorial services for Carl W. Richter will be conducted by the Odd Fellow Lodge at 7:30 p. m. Wednesday at the Anderson Funeral Home. All members are requested to be present.

Delta Lodge 185, F. & A. M., will hold a special communication at 7:30 p. m. Wednesday at the Masonic Temple and at 8 p. m. at the Anderson Funeral Home to conduct memorial services for Carl W. Richter.

Bay de Noc Encampment, 174 will hold an important meeting Wednesday at 8 p. m. Members are urged to attend.

The next in the series of foreign film series sponsored by Bay de Noc Community College will not be shown at the Bonifas Auditorium as scheduled. It will be shown in the college student center at 7:30 p. m. Jan. 11.

## Rapid River

Rug Project

The Women's Fellowship of Rapid River Congregational Church held its monthly meeting Wednesday at the church parish hall. Mrs. Charles Bowen presented the evening devotion.

The Fellowship will begin its rag rug project, at the Wednesday meeting at the parish hall at 10 a. m. Persons attending are asked to bring a potluck dish for the noon meal. All women of the church are invited to share in this Fellowship activity.

A silent auction will be held at the February meeting. Members are asked to bring household items, canned foods or other miscellaneous items for the auction. February hostesses are Mrs. Al Bond and Mrs. Thomas Safford.

During its run, Expo '67, the Montreal fair, will stage Canada's greatest military tattoo with nearly 2,000 troops.

## Carl W. Richter Taken By Death

Carl William Richter, 75, of 122 S. 18th St., Escanaba, died suddenly Sunday evening at his home. Born May 20, 1891 in Escanaba he retired in 1956 as an engineer for the Chicago and North Western Railway.

His wife, Lillie, died on July 27, 1960, and a daughter, Carol died in 1942.

Mr. Richter was a life member of the Delta Lodge F&AM, the Delta Lodge, 118, Royal Arch Masons and the Escanaba Commandery 47. He was also a member of the Order of Eagles, the Independent Order of Odd Fellows, 460 Bay de Noc Encampment 174, the C&NW R. R. Veteran's Club and the First Presbyterian Church.

He served as a member of the Escanaba City Council from 1933 through April, 1942.

Carl W. Richter

## Carnival

An "International Winter Wonderland" of athletic games, novelty events, snow statues, dances, and a concert, with a queen to reign over all are planned for what promises to be the biggest Winter Carnival in history at Lake Superior State College. From its opening with the snow ball on Saturday, Jan. 28, to a Feb. 2 concert and dance by the Association and the Excels, through the judging of snow statues on Friday, Feb. 3, events are scheduled.

Surviving is a daughter, Mrs. Norman Anderson of Rte. 1, Escanaba, one grandchild, Paul Richter, serving in the Armed Forces and a sister, Miss Adela Richter of Escanaba.

Friends may call at the Anderson Funeral Home from 4 to 9:30 p. m. Wednesday and Odd Fellow services will be conducted at 7:30 p. m. Wednesday. Masonic services will be held at 8 p. m.

Funeral services will be held at 1:30 p. m. Thursday at the funeral home chapel and burial will be in the family lot of Lakeview Cemetery.

## Delta Historical Dinner Planned

The Delta County Historical Society will hold its annual dinner meeting on Wednesday evening, January 18, at The Dells Supper Club, it is announced by Robert Schmeling, president.

The featured speaker will be Dr. Harry Kelsey of Lansing, the new historian in charge of the programs and activities of the Michigan Historical Commission. Dr. Kelsey came to Michigan from Colorado in 1966.

William K. Alderfer, director of the Historical Society of Michigan, will also be on the program, said Charles Follo of Escanaba, who is chairman for the Historical Society dinner program.

Annual reports, ranging from the operation of the Delta County Historical Museum and the historical markers committee project to the financial situation of the Society, will be a part of the program.

Officers will be elected for the ensuing year at the business session.

Letters are being addressed to the Society members, and they are invited to bring friends and other interested persons to the dinner meeting. Reservations will be required.

Edinburgh's Artistic Ice Skating Club was organized in 1942 and was a leading factor in popularizing ice figure skating.

## D.U.S. To Close Drive Monday

Robert Barron, chairman of the 1966-67 Delta United Services campaign, today issued his final appeal for campaign workers to turn in their receipts by Monday, Jan. 16.

"We hope to close all sections of the campaign next Monday," Barron said.

Total receipts to date are about \$41,000, he reported. Initial goal, based on requests of the participating agencies, was \$67,194.

Barron said that all sections of the drive—commercial, industrial, governmental, professional, educational and residential—must be completed by Monday.

The Delta United Services Board of Directors will meet later this month to adopt a budget and announce final campaign revenues.

Participating agencies in the Delta United Services drive are the Boy Scouts, Girl Scouts,

Camp Fire Girls, Bay Cliff Health Camp, Red Cross, U. P. Child Guidance Clinic, Delta Family Services, United Service Organizations, Salvation Army, the J. F. Kennedy School for retarded children and the Michigan Children's Aid Society.

## SAVE UP TO 50% OFF CHECK EVERY DEPARTMENT

THE SNOWDRIFT thrown up by plowing of 23rd St. S., and the Stone House parking lot at Ludington St. is 10 feet or more in height, with roadside signs almost buried

in the pushup of snow that fell to a depth of 8 inches or more in Saturday's storm. (Daily Press Photo)

### Rex Hotel Is Offered For Sale To City

The Rex Hotel on 1st Ave. N. at 5th St., one of Escanaba's landmarks from an earlier day, is being offered for sale to the City of Escanaba by its owners, Gordon Bean and John Dailey, proprietors of Shoppers Town.

The proposal to sell the Rex Hotel property to the city will go to the Planning Commission for consideration at its meeting to be held at 4 p.m. Thursday, Jan. 12 in the City Hall.

Also to come before the Commission are:

A request by the Escanaba National Bank for a parking lot on S. 8th St. between Ludington and 1st Ave. S.

A preliminary report discussion on the city's comprehensive plan by David Kennedy of Harland Bartholomew & Associates, professional planners retained by the city.

## County Roads Are All Open

Delta County's snowplow crews were widening out roadways Monday and today after Saturday's storm which brought about 8 inches of snowfall and serious tie up of traffic.

All Delta County highways were open on Saturday night, the County Road Department reported, with some cleanup work done on Sunday to complete the opening of back roads and to remove snow on east-west roads where it had filled in between snowdrifts.

Menominee County, which got a rain and sleeting on top of its snowfall had a harder snow clearance job. County Road 551 in Northern Menominee County from U. S. 2 to M-35 was not opened on Sunday.

The snowfall, the second heavy fall of the winter, has already called out Delta County's 30 snowplows more than they were out all last winter. There were only two snowfalls last winter that required general plowing.

In Escanaba there were no mail deliveries on Saturday, said Postmaster James Pryal. The rural carrier and mounted route carrier could not maintain service, said Pryal and one delivery was made on Ludington St. Deliveries were normal on Monday, said Pryal.

### Court Refuses Apportionment Challenge Plea

WASHINGTON (AP) — The Supreme Court refused without comment Monday to reconsider its dismissal of an appeal challenging Michigan's legislative apportionment law.

Attorneys Maxwell Badgley and others told the court they have a Constitutional right to a full hearing on their claim that the apportionment plan was deliberately gerrymandered for partisan political purposes in violation of the Michigan Constitution.

The court dismissed the appeal Nov. 21, saying no substantial federal question was involved.

## Crossover Cost Has Increased; City To Check

GLADSTONE — The Gladstone City Commission will seek further information from engineers Pfeiffer and Schultz Co. on the advisability of purchasing a crossover for the city power plant after receiving a cost estimate of approximately \$60,000 at their regular Monday meeting at the City Hall.

City Manager H. J. Henriksen told the commission the original quotation on the crossover was \$45,000 plus seven percent engineer fees, but the cost has increased considerably the past year. The figure increased by 25 percent.

Since Pfeiffer and Schultz have predicted the plant would probably be operating both turbines sometime in the 1970's, Mayor Frank Stupak said the crossover would not be made in that event.

Commissioner George Young said it was a matter of operating the plant with the highest efficiency but moved to consult the engineers to see if the crossover was feasible.

Commissioners asked the manager to consult with U. P. Power Co. to determine the amount of power the city could expect to receive in the event of another power failure and to obtain if possible a firm agreement for standby power.

He said he would arrange meetings with U. P. Power and Pfeiffer and Schultz engineers to obtain the information.

The commission voted to purchase material from Eaton, Yale and Towne to modernize the electrical system in the city owned building in the Industrial Park. Eaton, Yale and Towne purchased the equipment at the cost of \$1,600 when they were using the building before their plant was completed, and will sell the material to the city for \$1,350.

Using city labor to complete the job, Henriksen estimated a cost of \$2,190 to complete the modernization.

In other business the commission voted to pay J. R. Grant and Associates of Lake Mills 75 percent or \$1,900 of the total cost of equipment for pumps at the Minneapolis street lift station. Total cost of the material is \$2,584. All the material has arrived with the exception of the motor.

The city manager and mayor were authorized to attend the legislative conference sponsored by the Michigan Municipal League in Lansing Feb. 22-23.

No objections were offered at the public hearing on paving Michigan Ave. between 4th and 5th streets and the project will be placed on the regular work schedule.

Robert Young, representing the city volunteer firemen, asked the commission to pay their assessments of \$20 or \$1 per fireman to help defray the cost of the tournament to be held in Ontonagon this year. The request was granted.

Ken Ziems, 1520 Montana Ave., asked for a public address system to be installed at the ice rink in order to have music for evening skating. He also asked for a set of rules to be posted at the rink. Mayor Stupak asked the city manager to have the rules posted and enforced and to have the PA system checked to be used for recordings and disciplinary measures.

Commissioner Ray Norton asked to have the hockey program reactivated according to suggestions made by Ziems. He said adult leadership might be obtained if at least \$200 would be offered to pay for these services. Hockey boards will be installed this week and a program started as soon as responsible leadership obtained.

Several complaints on snow plowing were received but the manager explained that city crews have been working from 4 a.m. throughout the day to get the traffic moving as best they could.

### Firstborn

K. I. SAWYER AFB — Sawyer's first born of the new year arrived 11 hours and 43 minutes after the start of 1967. James Malcom Weatherall weighed in at 9 pounds 11 ounces when he arrived at 11:43 a.m. He is the son of Staff Sergeant and Mrs. William Weatherall.

First jet plane serial combat in history took place Nov. 8, 1950, between a USAF F-80 and a MIG-15 in Korea.

## Dr. R. Rinehart Guest Speaker At Altrusa Club

"The real business of a college is learning and the criterion of its success is what happens to the undergraduate that could not have happened otherwise." This was the nugget of educational philosophy around which Dr. Richard Rinehart, president of Bay de Noc College built his talk to the Altrusa Club last evening.

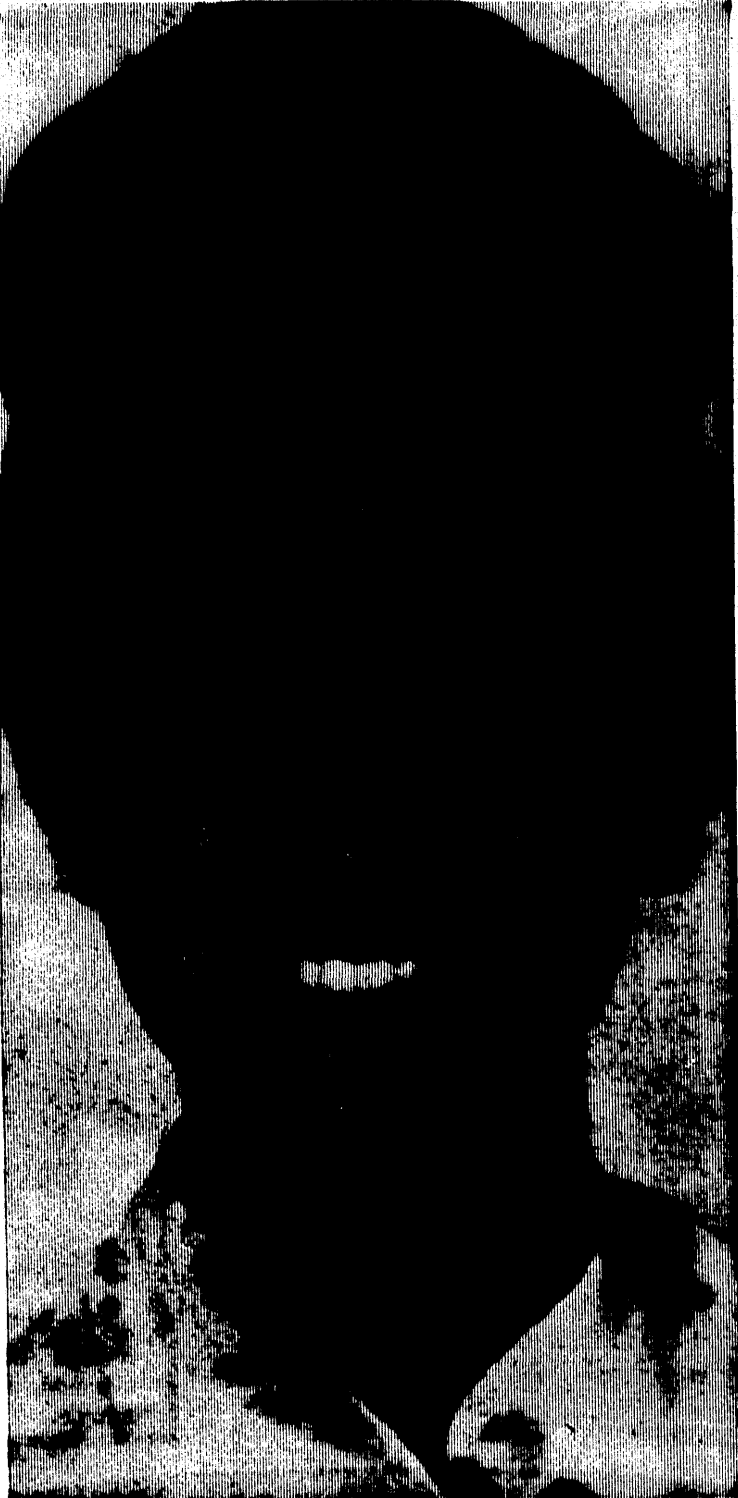

He noted the program of the college from its inception to the present and on into the future. Dr. Rinehart pointed out that Bay de Noc had an advantage in that it was born free and without tradition and could therefore stride forward in some areas of programming more easily than the older colleges.

He also reported that the two students aided by the Altrusa scholarships have done well at college. In late business the club voted to renew the scholarships for the second semester of the year.

Chairmen for the evening's program were Tyne Kangas and Vera Clairmont of the Vocational Information Committee.

## Calvary Unit Meetings Listed

RAPID RIVER — The L.C.W. of Rapid River Calvary Lutheran Church will begin its 1967 year with most of the units meeting Thursday at the following times and places; Alton, 1:30 p.m., Mrs. Hjalmar Nelson; Ensign, 1 p.m., Mrs. John Peterson; Ogontz Unit will not meet this month; Rapid River Unit meeting date is set for Jan. 18, 8 p.m. at the parish hall with hostesses Mrs. Robert Bezi and Mrs. Neils Koski; Esther Unit will meet Thursday, Jan. 12 at the church with hostesses, Mrs. Ollie Wickstrom and Mrs. Jennie Johnson.

REV. AND MRS. C. J. Davis of 1320 Stephenson Ave., announce the engagement of his daughter Linda Gayle, to Gerald Frizzell, son of Mr. and Mrs. A. G. Frizzell, 1413 N. 19th St., Escanaba. The bride-elect is a 1965 graduate of Marquette High School and is presently employed at Neisner's. Her fiancé, a 1965 graduate of Escanaba Area High School, is employed at Steelcase in Grand Rapids. The wedding will take place on March 18.

## Births

BARNEY — Mr. and Mrs. Dale Barney of Foster City are the parents of a son, their first child, born at 6:32 a. m. on Jan. 9. He has been named Glen Daniel and weighed 6 pounds and 13 ounces at birth. The mother is the former Betty Jane Hansen of Escanaba and grandparents are Mr. and Mrs. Albin Hansen.

JOHNSON — Mr. and Mrs. James A. Johnson of Rapid River are the parents of a daughter, their first child, born on Jan. 9 at 3:57 a.m. The infant weighed 8 pounds and 1 ounce at birth and has been named Julie Marie. The mother is the former Alice Brannstrom.

MINEAU — A daughter, Michelle Marie, weighing 6 pounds and 12 ounces was born to Mr. and Mrs. Ronald G. Mineau of 1011 Stephenson Ave. at 6:18 a.m. on Jan. 9. Mrs. Mineau was Judith Siscoe.

BAUER — At 9:33 a.m. on Jan. 9 a son, Roy Anthony, weighing 8 pounds and 14 ounces was born to Mr. and Mrs. Harold C. Bauer of 1212 Superior Ave., Gladstone. Mrs. Bauer was Jeannine Nelson.

BRANAM — Mr. and Mrs. Ford S. Branam of Kipling are the parents of a son, born at 1:01 p.m. on Jan. 9. The infant has been named John Ford and weighed 6 pounds and 6 ounces at birth. Mrs. Branam was Bernadine Randall.

JANKOWSKI — At 2:08 p.m. on Jan. 9, a son, not named as yet, weighing 10 pounds and 13 ounces was born to Mr. and Mrs. Paul G. Jankowski of 2520 3rd Ave. S., Escanaba. The mother was Bonnie Hardy.

HOCKSTAD — Dr. and Mrs. Raymond Hockstad of 1614 S. 15th St. are the parents of a son, Douglas Michael, born at 2:16 a.m. on Jan. 10. The infant weighed 8 pounds at birth. Mrs. Hockstad is the former Catherine Clark.

## Thomas Smith To Present Program At Woman's Club

The Escanaba Woman's Club will meet Wednesday, Jan. 18 at 2 p.m. in the Chamber of Commerce Building. A slide lecture will be presented by Thomas C. Smith, a graduate of St. John's University, Collegeville, Minn., who is currently working toward a Master's degree in Art Education at Northern Michigan University.

The slide program will show the work of Marcel Breuer, world renowned architect, at Collegeville. This famous architect did the Whitney Museum in New York, designed the UNESCO Building in Paris and his most recent work is the F.D.R. Memorial in Washington, D. C.

There will also be a small exhibit of contemporary art to compliment the lecture. Program chairman for the day is Mrs. Edmund Hengesh and hostesses include Mrs. Merritt Kasson, chairman, Mrs. H. H. Bathke, Mrs. Walter Belau, Mrs. Earl Brown, Mrs. George Chaudoir, Mrs. William Mulvaney and Miss Fern Fontana.

## Social Club

Martha Society  
The Martha Society will meet Wednesday at 8 p.m. at the home of Mrs. Rudolph Larson, 1001 Sheridan Road.

TOPS Club  
The Wait Watchers TOPS Club will meet Wednesday at 7:30 p.m. at the VFW Hall. A ceremony for the new queen will take place.

## Special Weeks

LANSING (AP) — Gov. George Romney has proclaimed April 23-29 as Youth Temperance Education Week and Feb. 12-19 as Negro History Week.

Beef that is to be roasted often benefits from a coating of flour, salt, pepper, paprika and dry mustard.

MR. AND MRS. Francis Hansen of 219 Stephenson Ave., Escanaba announce the engagement of their daughter, Marilyn Ann, to Phillip John Sarasin, son of Mr. and Mrs. Joe Sarasin, 623 S. 19th St., Escanaba. No wedding date has been set. (Preston's Portraits)

## Skirts Will Be Short, Colorful This Spring

ROME (AP) — With skirt lengths still a burning question for women, Italy's top fashion designers appear almost unanimous today—they'll keep them short in their spring and summer collections to be shown this month.

The forecast is that skirt lengths will vary from just above to three inches above the knee — short but not mini.

Gilles, owner of the house of

Barocco, said: "Summer is the real season of the short skirt. We are repeating the length we showed last season because the summer collections are always a follow-up on the winter shows when most of the major changes in line are introduced."

Sunny yellow and all the solar shades were tipped as the colors most likely to be seen everywhere in 1967. They will eclipse the vivid violets now the rage. Strong runners-up will be orange, hot pink and parakeet green.

## Hints from Heloise

Dear Heloise:  
To keep kitchen sponges fresh, I put them in the laundry along with my bath towels, and run through the complete washing cycle.

Mrs. H.

Dear Heloise:  
Because I have so many children, I do a big wash twice a week. I have learned that it is a good idea to take my plastic dampener bag along with me, and set it beside the clothesbasket when I go to the clothesline to remove the clothes.

I can put the laundry that has to be ironed into the plastic bag and fold the other clothes and lay them on my basket.

This saves all the extra resorting that a woman ordinarily does if she folds it into one basket. When she gets to the house, she usually has to sort and sprinkle the clothes later.

If one does not have a dampener bag, I suggest they take a grocery sack and divide the clothes as they take them off the line. At least, they will know what has to be sprinkled, ironed, etc.

Patricia

## Gladstone News

### Briefly Told

State Police issued a traffic summons Monday to Paul Nelson, Ishpeming, no registration or proof of insurance.

Lodge 103 of the B. of R. T. will hold installation of officers at the Legion hall at 8 p. m. today. Refreshments will be served after the meeting.

Charles Alanko, 634 N. 8th St., Gladstone, reported to State Police that his car was damaged Sunday night while parked at Perkins. Troopers are investigating.

The Legion Auxiliary, Post 71 will hold a work bee at 6:30 p. m. today in the Legion hall. Members are asked to bring scissors to make decorations for the mid-winter conference to be held in Gladstone Jan. 20, 21 and 22.

The annual meeting of the Evangelical Covenant Church will be held at 7 p. m. today at the church. Dr. Carl Olson, chairman, will lead the meeting with reports to be given by Pastor Loren Anderson, O. H. Anderson, Gerrold Becvar, Mrs. Linda Erickson, Einar Olson. All members are urged to attend.

Frank Sciutto, 20, of Marquette, who was hospitalized Monday after an accident on U. S. 41 south of Trenary, was issued a ticket by State Police for violation of the basic speed law. Troopers said Sciutto drove his car into the rear of a tank truck trailer being driven by William Larson, N. 15th St., Gladstone. Sciutto told officers he didn't see the trailer because of blowing snow. Larson, who didn't realize the trailer had struck until he had driven about seven miles, said he noticed damage to the trailer and returned to the scene.

### Gets House Post

LANSING (AP) — Retired state policeman Howard Seiler of East Lansing was named Monday as deputy sergeant at arms for the House of Representatives. A veteran of 34 years with the state police, Seiler will assist in maintaining security in the house.

Spot at Spars Mets.

### Ski Capital

GAYLORD (AP) — The City of Gaylord, which bills itself as the Ski Capital of Michigan, has 26 inches of snow on the ground and 50 feet of ice on the court-house lawn. The ice is in the form of a chicken wire evergreen with a hose spraying water from the top. With freezing temperatures, ice forms on the wire, creating a colorful ornament for weekend skiers.

## Children Eager To Work, U-M Study Reveals

ANN ARBOR — Flexible labor laws allowing children 10 to 16 years old to work would be more in line with reality and might benefit the children, say two University of Michigan psychologists.

The two faculty members are preparing a report on their

three-year psychological study of working boys.

"Child work is more prevalent than one might have believed," said Dr. Mary Engel, associate professor of psychology, who headed the study.

In the project involving more than 500 boys in greater Boston under the age of 14, the researchers found that 73 per cent of them had worked for money outside of their families. At the time of the study 47 per cent were still working.

Surprisingly, need for money did not seem to be a primary force for working. The highest percentage of working boys was not in the lowest social class. In addition, race seemed to be no factor, nor did it seem to matter whether the boy's mother worked.

In compiling the first child labor figures since the early 1930's, the research team found that working children under 14 have not been counted as workers in the census and little has been known about their habits and motivation. Many of the boys work illegally because they are below the legal age or do not have a work permit.

Financed primarily by a federal grant, Dr. Engel and her co-workers carried out the research at the Harvard University Center for Research in careers.

One of their discoveries was that the upper social levels have about as many working children as the lower classes, 70 per cent, while in the middle class 80 per cent of the boys under 14 worked.

They found that the absence of a father in the home was a definite factor related to working in childhood, even if the mother had a sufficient income.

A boy's work might replace what he misses in a father and provide him with needed authoritative contact with adults and older boys, speculated Gerald Marsden, a psychologist now in U-M's psychiatry department who worked on the project. Possibly for the same reason, he added, the working boys disliked female teachers and in favor of male teachers who could better handle their aggressions.

The boys studied tended to start work at the age of 9 or 10 with wages varying from \$1.40 to \$18.50 per week for a wide range of tasks.

"Adults who live in cities are so used to seeing children at work that they have begun not to notice them," said Dr. Engel. "But they are on the street corners, with shoeshine boxes, or yelling out the evening headlines, or dropping the news of the day in front of the doors of sleeping citizens. Some do not work visibly, or in visible settings."

"They paste labels in small businesses or factories, stack boxes in supermarkets, sweep up in barber shops. Some boys do physical labor, pouring their seemingly limitless energy into sanding cars in auto body shops, others climb high on building scaffolds, and there are those who stick to the ground and shovel your front walk."

"Children are eager to work," said Dr. Engel, "and it may very well be that their psychological benefit to let them do so."

## Rapid River

Annual Meeting  
Rapid River Congregational Church's annual meeting will be held Sunday, Jan. 15, 7:30 p. m. at the church parish hall. All members and friends of the church are invited to attend.

Recent weekend guests at the Tom Fix home in Rapid River were Mr. and Mrs. Jim Schloff and five children and Mr. and Mrs. Bob Rizesbecki and three children of Warren, Mich.

No Meeting  
St. Charles Borromeo Altar and Rosary Society of Rapid River will not meet this month. The society will not hold a party sale in January but will resume sale activities the first Wednesday of February.

Annual Meeting  
The annual meeting of the Calvary Lutheran Church will be held Wednesday at 8 p. m. in the parish hall. All members of the congregation are requested to attend.

## Sheriff's Advisor

DETROIT (AP) — Samuel Brenner, ousted as chief assistant Wayne County prosecutor, was hired Monday as legal advisor to Sheriff Peter L. Bu-back. William L. Cabalan, the new prosecutor, eliminated Brenner by appointing former Detroit City Councilman James H. Brickley as his chief assistant last week.

## In This Corner

with Roy Crandall

Bowling Bits: Gene Jones spilled a 159 triplicate in the Bay de Noc League at the Bowlamara... Chuck Peltier, kegling in the Harnischfeger wheel, spilled the once in a lifetime 7-10 split... In the Housewives League, Lombardi's swept all honors with a 2250 match, 816 game and Millie Blixt's 187 singleton in a 507 series.

You might as well concede Hermansville a free throw when you foul Randy Fochesato... The 5 foot 11 inch junior, one of the Upper Peninsula's leading point producers, is dead on the foul line... He has converted 79 of 88 opportunities thus far this season, which amounts to almost 90 percent.

Coach Marty Crowe's Marinette Central eagers put a full court press on the Maroons to score their surprising 63-41 victory... Central's ball hawking tactics wrecked Menominee in the first half, limiting the Maroons to 14 points... Pat Miller, 6 foot 3 inch junior, was held to 17 points, his lowest single game production for Menominee this season... Menominee invades the Holy Name gym tonight.

Wakefield, front runner in the Michigan-Wisconsin loop, hung up its seventh straight triumph of the season by ripping Hurley, 90-58... Coach Jim Daniels cleared his bench early in the game and 13 Cardinals contributed to the scoring total, led by 6 foot 5 inch Al Inkala with 25 points... The setback was Hurley's sixth in a row.

Terry Conrad, Ewen's 6 foot 9 inch center, tossed in 24 points as the Bulldogs stretched their Porcupine Mountain Conference victory streak to five games with a 63-42 victory over Bergland... Conrad is the tallest prep cager in the Upper Peninsula this season.

Trout Creek scored more points in the first period than Mercer managed in the whole game as the Anglers fashioned their 100-28 victory last weekend... Coach Bruce Warren's Trout Creek quint, led, 29-7, at the end of the opening frame... Don Besonen paced the Anglers to their sixth straight decision with 29 points.

Iron Mountain tightened its hold on first place in the Menominee Range Conference by tripping runnerup Norway, 84-67... Don Cooper triggered the Mountaineer attack with 23 points while John Webb and Brian Ouimette added 18 each... Iron Mountain is 4-0 in the Range and 4-2 overall, with the setbacks coming at the hands of Esko and Menominee in Great Northern competition.

L'Anse had its toughest test of the season before sidelining Calumet, 69-60, for its sixth consecutive victory of the current campaign... The Copper Kings battled the defending state Class C champs to a 28-28 standoff in the first half... Gerry Gerard, 6 foot 5 inch center, paced the Hornets on the scoreboard with 34 points.

## West All-Stars Seeking Revenge; Wilt Injured

SAN FRANCISCO (AP) — Humiliated a year ago, the West All-Stars of the National Basketball Association aim for revenge tonight against an East team which may or may not have the services of Wilt Chamberlain.

The 7-foot 1-inch bulwark of the division leading Philadelphia 76ers was in San Francisco but suffering from an Achilles heel injury.

His presence in the lineup for the Cow Palace game depends entirely on how he feels.

If Wilt decides against suiting up, Walt Bellamy of the New York Knicks was expected to join the squad to help out Bill Russell at the center spot as the

East seeks its 12th victory in the 17-game series.

At Cincinnati in 1966, the East whipped a cold shooting West 137-94 with Chamberlain scoring 21 points.

"It won't be one-sided this time," promised Nate Thurmond, the 6-11 San Francisco Warrior who'll go against Chamberlain or Russell or both.

Nate's teammate, Rick Barry, last year's rookie sensation who is playing his second All-Star Game, went farther when he said, "I think our starting lineup is a little stronger than theirs."

Boston's Red Auerbach, re-

## Northern Loses Sixth Start To Central Cagers

MOUNT PLEASANT (AP) — Central Michian topped Northern Michigan 69-64 in a nip and tuck basketball contest Monday.

Northern led 41-36 at the half, but the Chippewas came back with 11 straight points as the second period began.

Willie Iverson was high scorer for Central, with 20 points. Dave Kovac had 19 to top the Wildcats.

Central now boasts a 10-1 record for the season. Northern is 1-6.

## Louisville, Ranked No. 2, To Face Top Small Team

By The Associated Press

It may not be in the cards for Louisville to overhaul top-ranked UCLA in The Associated Press' weekly basketball poll, but the Cardinals seem to have a more immediate problem.

The Southern Illinois Salukis, those small-college spoilers, are the unbeaten Cardinals' next opponents Wednesday night. The Salukis, No. 1 in the small-college poll, upset high-ranking major college Texas Western last month. Wednesday night's meeting, too, is on Southern Illinois' court in Carbondale, Ill.

UCLA continued runaway leaders in the latest major-college poll, collecting 35 first-place votes and 359 points in the balloting by a national panel of

36 sports writers and broadcasters. Louisville drew the other vote for the top position and 324 points.

Points were awarded on a basis of 10 for a first-place vote, 9 for second etc. The voting was based on games through last Saturday.

New Mexico climbed one place to third while Houston also advanced a notch to fourth. UCLA lifted its record to 9-0 last week by beating Washington State 76-67. Louisville whipped Tulsa and North Texas for a 13-0 mark. New Mexico beat Denver and Seattle while Houston downed Tennessee Tech and Lamar Tech. New Mexico has an 11-1 record and Houston is 13-1.

Princeton's 91-81 victory over North Carolina helped the Tigers move into the No. 7 spot and dropped the Tar Heels from third to fifth. Princeton was unranked a week ago.

Texas Western held sixth place. Kansas advanced from ninth to eighth. Providence slipped two places to ninth and Florida moved into the rankings in 10th place.

Cincinnati, No. 8 a week ago, plus Mississippi State and Bradley, tied for 10th last week, all tumbled from the rankings this week. The Bearcats lost to Tulsa. Bradley was beaten by Wichita, and Mississippi State dropped one to Florida.

The Top Ten, with first-place votes in parentheses, and total points:

1. UCLA (35)	359
2. Louisville (1)	324
3. New Mexico	227
4. Houston	203
5. North Carolina	201
6. Texas Western	164
7. Princeton	115
8. Kansas	101
9. Providence	48
10. Florida	31

## Spartans Face Tough Hawks

EAST LANSING (AP) — When Michigan State tries to halt Iowa's seven-game basketball winning streak Saturday, the big problem will be to stop Sam Williams, who can play any position, depending on who is guarding him.

"I think I'll put a sub on him. Maybe he'll go to the bench," said MSU coach John Benington, after explaining that Williams sees who is guarding him and moves to the position where he thinks he has the best chance to score.

Williams scored 25 points as Iowa won its Big Ten opener, 84-73 over Indiana last weekend.

Michigan and Michigan State both tried to recruit the 6-foot-3 former Detroit Northern High School player, Benington said.

"We felt wherever he went, he might turn that team into a conference contender," Benington said. "He's that good a ball player."

He said the job of guarding Williams might go to MSU's 6-6 forward, Art Baylor, in which case Williams probably would play forward.

Iowa will come in with an 8-2 record. MSU has a 6-3 mark, but the two teams have identical records in the Big Ten, 1-0.

## Joe Considering Offer By Lions

DETROIT (AP) — Joe Schmidt, a hard-charger in his linebacker days, was approaching cautiously today a contract that would make him head coach of the National Football League Detroit Lions.

Schmidt met with Lion officials for nearly six hours Monday, then said he had not yet made up his mind.

Lion owner William Clay Ford fired Coach Harry Gilmer last week and announced that Schmidt, for 13 years a Lion linebacker, was his top choice for the job.

Schmidt, who retired after the 1965 season, was an assistant to Gilmer last season, working with the linebackers.

"There is no agreement or disagreement," Schmidt, 34, said after Monday's meeting. "I just want to think it over a bit more. It's a big step."

He's scheduled to meet with Ford again Wednesday.

"This was the first time I had seen the contract, too," Ford

said. "Although naturally I had discussed it with our attorney."

"But after the reading of it,

Joe Schmidt

I'd say that Joe and I are in agreement. It is just a matter of letting the attorneys decide on the final wording. There may be a few language changes. But that's all."

Reports have it that the contract is for up to five years and may pay as much as \$50,000 a year.

Gilmer was 4-9-1 in 1966, the second year of a three-year contract. Several players had publicly criticized Gilmer, and it was hoped that Schmidt might be the man to pull the club together.

## McCovey Signs Giant Contract

SAN FRANCISCO (AP) — The San Francisco Giants have announced the signings for the 1967 baseball season of National League All Star first baseman Willie McCovey, catcher Tom Haller and utility infielder Jim Davenport.

The signing of McCovey was announced Monday while the other two were disclosed today. The Giants now have four players under contract for 1967. Center fielder Willie Mays is on the second year of a two-year contract.

## Eight Junior Hockey League Teams Formed

Eight junior hockey teams will compete in three leagues here this winter, it was announced today by George Petaja, director of the program which is sponsored by the city recreation department.

Games are played through the week at the water tower rink.

Three teams will be registered with the Michigan Amateur Hockey Association, in the Bantam, Midget and Juvenile divisions.

## Duffy's Course For Women Fans Great Success

EAST LANSING (AP) — Pleased with the success of Prof. Duffy Daugherty's course for women in "understanding football," Michigan State University has arranged for Associate Prof. John Benington to teach them about basketball.

Daugherty, coach of MSU's undefeated 1966 football team, ran a lively class in which women learned everything from what happens in the huddle to why he "fired" the linebacker.

(Firing the linebacker means sending him charging into the other team's backfield. The maneuver also is called blitz and dog.)

Benington, coach of the Spartan basketball team, will go into basketball theory and tactics for women enrolled in the course of four two-hour sessions.

## Wildcats Eye Big Ten Lead

By The Associated Press

Northwestern's Wildcats, averaging nearly 95 points a game, can take the lead in the Big Ten basketball race tonight.

All the Wildcats need is a victory over suspension-riddled Illinois to become the first Big Ten team to post a 2-0 conference record this season.

While Northwestern plays host to Illinois, Michigan's defending champions will attempt to redeem a 93-73 loss to Northwestern by invading Wisconsin.

Wisconsin, having lost to Illinois 87-74 in the season opener last month, will be seeking a second straight victory. The Badgers topped Purdue 79-76 in a road test last Saturday.

Indiana climbed into a three-way tie with Illinois and Wisconsin with its one-sided 83-68 triumph over Minnesota Monday night. All three teams are now 1-1 and trail Northwestern, Iowa, Ohio State and Michigan State who are standing on 1-0 records.

Indiana went to its fast break in topping Minnesota. The Hoosiers spurred to a 28-16 lead and were ahead 42-33 at the half.

Gordie Howe

## Gordie Howe Is Back On Target

NEW YORK (AP) — Gordie Howe and Bobby Hull, a couple of heavy bombers who've been missing from the National Hockey League's scoring hierarchy this season, are back on target.

Detroit's Howe, the No. 1 point-maker in NHL history, has climbed into a fifth-place deadlock in the current scoring race, according to latest league figures.

Chicago's Hull, who smashed single-season records for goals and total points a year ago, has cracked the top ten for the first time since early in the campaign.

Howe reached the 700-goal plateau for his 21-year NHL career with a pair of tallies

against Chicago last Thursday night. Two nights later at Montreal he scored two more goals, and now shares the No. 5 spot with teammate Norm Ullman in the point derby.

Hull also potted four goals during the week for a season-total of 19 — one less than league-leader Rod Gilbert of New York — and climbed from

11th to eighth place in the point standings.

Stan Mikita of the Black Hawks continues to set a torrid scoring pace, with 17 goals and 35 assists for 52 points. The Chicago center is certain to capture the \$500 league bonus that goes to the point leader midway in the season.

Mikita leads teammate Ken Wharram by 16 points, with Montreal's Bobby Rousseau and New York's Phil Goyette tied for third, another three points back. The Hawks and Canadiens each have two more games to play before reaching the halfway mark, and if Wharram holds the second spot he'll get the first-half runner-up prize of \$250.

Unless Montreal comes up with two straight shutouts, Ed Giacomin, New York's brilliant young goaltender, also will collect \$250 as the first-half leader in the Vezina Trophy race.

The Rangers, with Giacomin appearing in all but one of their first 35 games, yielded 81 goals during the first half. The Canadiens have allowed 80 goals in 33 contests.

**NOW** YOU CAN CLEAR YOUR WALKS AND DRIVEWAY IN MINUTES

with a new **MOTO-MOWER** SNOW SHARK

In Stock For Immediate Delivery

Here is a revolutionary new dimension in home snowthrowers. The MOTO-MOWER Snow Shark brings the drift-busting efficiency of big highway snowthrowers to the homeowner. The result is a unit with truly amazing capacity and exceptional ease of operation.

Big double impellers chew into drifts. The solid impellers feed the snow to the center mounted turbine thrower which provides equal efficiency in all directions.	A convenient control on the handle enables the operator to easily control the chute direction, throw snow 40° to 45° anywhere from 90° left to 90° right.	This big, heavy duty, cast iron MOTO-MOWER engine built expressly for Moto-Mower by Kohler, is specially winterized.
900% heavy duty chain drive throughout assures efficiency, eliminates power wasting slippage.	The fully enclosed, gear driven, automatic-type transmission is lifetime lubricated. All moving parts run on lifetime lubricated ball bearings.	To provide extra convenience a powerful hand-pull device gives you 30 lbs. of pulling power (Optional equipment).

## Colleges Oppose Academic Ruling On Scholarships

HOUSTON, Tex. (AP) — Negro colleges, with enrollments from lower economic areas, allied today with the affluent Ivy League schools in a battle over the NCAA's controversial 1.6 academic rule.

The intent of the minimum grade point average rule is to make students out of athletes. The rule requires an athlete to maintain at least a 1.6 average to be eligible for participation in NCAA events or to get an athletic scholarship.

Six amendments have been offered to the rule, ranging from elimination, as proposed by the Eastern College Athletic Conference, to strengthening the requirement, as offered by the Atlantic Coast Conference.

The year-long controversy comes to a head at the final session of the NCAA 61st convention Wednesday.

William Wright, athletic director of Norfolk, Va., State College, a predominantly Negro school, said the present rule "penalizes boys from lower economic areas."

He said in the case of many Negro colleges "a boy was forced to meet a standard of academic standing before he had a chance to reach it."

Wright said some of these schools' students have a 1.2 or 1.4 average in a 4.0 grade scale. In effect, he said, the rule "asked an athlete to be smarter than the average student."

In giving the NCAA Council's

report at Monday's opening session, Dr. Bradford Booth of UCLA said, "The intent of this legislation is simply to insist for the first time in the long history of intercollegiate athletics that athletes be students."

Asa Bushnell, commissioner of the Eastern College Athletic Conference, which has 144 NCAA members, said his group was opposed on the grounds it should be a matter decided by each institution.

College football coaches have joined irate television viewers in criticizing untimely commercials.

The American Football Coaches' association Rules Committee recommended Monday that television networks be more discreet on the timing of their advertisement breaks.

Jack Curtrice of the University of California, Santa Barbara, committee chairman, said, "We have recommended to commissioners that there be no such breaks when a team is on a drive."

He said the committee suggested nine rules changes and voted almost unanimously to retain the present unlimited substitution.

The proposed changes and the slap at TV commercials will be put before the NCAA football Rules Committee meeting in Phoenix, Ariz., next week.

The proposed changes and the slap at TV commercials will be put before the NCAA football Rules Committee meeting in Phoenix, Ariz., next week.

## Texas Quint Snaps String

By The Associated Press  
It was a long time between Missouri Valley Conference victories for little North Texas State but when the Eagles got around to winning one, it was impressive.

North Texas ended two years of MVC frustration Monday night whipping Wichita State 80-68. It broke a conference losing

string that had stretched over 20 games back to Feb. 18, 1965.

Rubin Russell was the key man, scoring 23 points — 12 of them in the last nine minutes — as North Texas pulled away. Russell dropped in 11 of 16 shots from the floor.

Meanwhile, UCLA, which wins much more consistently in the Pacific-8 than North Texas State does in the MVC, continued to steamroll. The Uclans smashed Washington 63-48 for their 10th straight victory.

Ranked No. 1 in The Associated Press poll, UCLA looked the part, with Lew Alcindor pouring in 28 points before fouling out with 13 minutes left in the game. UCLA led 50-34 at the half and then coasted.

Two other ranked teams also won.

Tenth-ranked Florida took its sixth straight, beating Mississippi 78-63 and Providence, ranked ninth, overcame an early scare from Oglethorpe and won going away, 74-57.

Neal Walk scored 22 points, 18 in the second half as Florida pulled away from Mississippi. The taller Gators controlled the backboards, and upped their record to 10-1 with their sixth straight victory.

Oglethorpe led by five points with four minutes gone in the second half against Providence before Mike Riordan and Jimmy Walker fired the Friars' winning burst. Riordan finished with 24 points and Walker, the nation's leading scorer, had 22.

### Monday's Fights

By The Associated Press  
TOKYO — Masuyoshi Akayama, 113, Japan, outpointed Rudy Villagonza, 117, Philippines, 10.

WORCESTER, Mass.—Leroy Roberts, 153, Norristown, Pa., stopped Dick French, 152, Providence, R.I., 8.

LAS VEGAS, Nev.—Ferd Hernandez, 160, Las Vegas, outpointed Henry Aldridge, 154, San Jose, Calif., 10.

## Big O Splurge Isn't Enough

NEW YORK (AP) — Cincinnati's Oscar Robertson went on a scoring-play-making spree last week but failed to gain on Rick Barry of San Francisco, the National Basketball Association's runaway point leader.

Robertson averaged 34.7 points per game in three starts — pouring in 43 and 40 in two games against Chicago and capping the week's effort with 21 points and 17 assists as the Royals whipped Baltimore 126-94 in Sunday's nationally televised contest.

But Barry scored 100 points in four games and increased his bulge over runner-up Robertson by five. The Warriors' forward has hit for 1,421 points in 38 starts while Cincinnati's backcourt ace has 1,057 in two less games.

Philadelphia's Wilt Chamberlain, the only other 1,000-point scorer, also went over the 1,000 mark in rebounds, grabbing 128 in five games last week for a total of 1,061. Chamberlain leads the pack in field goal percentage as well, having connected on 66 per cent of his shots from the floor.

Adrian Smith of Cincinnati is the free-throw leader with an .885 percentage while Chicago's Guy Rodgers tops the playmakers with an average of 11.6 assists per-game.

## Coach Never Without His Little Red Towel

ALBUQUERQUE, N.M. (AP) — Bob King tugs, chokes and even throws his little red towel, which never is absent a minute of a University of New Mexico basketball game.

New Mexico has charged to an 11-1 season record and a No. 3 national ranking but the towel has not escaped the flings and pulls during the games.

King forgot the towel in the dressing room at halftime of the Denver game last week with New Mexico leading, 29-26. But equipment manager Joe Sissneros quickly recovered the towel and New Mexico ripped Denver 65-43.

"I don't wash it unless I drag it through the mud," said King. "I leave it at home and let it rest when we don't play."

The towel will be with King and the Lobos when they start a

road swing Friday in their Western Athletic Conference opener against Wyoming.

But with all the attention King gives his towel, there's plenty left over for New Mexico players who handed defending NCAA champ Texas Western its first loss, dumped Creighton, shelved Seattle and thwarted Colorado State University.

The Lobo mainstays have been 6-foot-9 strongman Mel Daniels, the team's leading scorer with a 22-point average and also leading rebounder; Ben Monroe, who is a top defenseman, and Don Hoover, the floor commander who swiped the ball six times against Colorado State.

Add to that 6-7 rebounder Bill Morgan and 6-3 ballhawk sophomore Frank Judge with sophomore Ron Sanford, 6-6, and 6-3 junior Ron Nelson in reserve.

Michigan Guard To Expand Civil Defense Center

LANSING (AP) — The Michigan National Guard says it plans a \$10,000 expansion of its Civil Defense Radiological Servicing Center in Lansing which will enable it to calibrate instruments for reading fallout levels.

The expansion, financed by the federal government, will include installation of calibration, maintenance and supply rooms at the Lansing Armory.

The armory presently houses a limited repair and maintenance facility.

Addition of a radiological instrument calibrator will enable the guard to calibrate radiological monitoring instruments—some of which haven't been calibrated in 10 years, said Capt. William Miller.

Capt. Miller said he hopes to check and calibrate all 100,000 such instruments in the state within one year after receiving the calibrator.

"We know that a human being cannot survive in the proximity of the point of detonation of a nuclear bomb," Miller said. "But a person can survive in the fallout area if radiological instruments are available and intensities of radiation are accurately measured."

Beet Curbs Off

WASHINGTON (AP)—To assure larger future supplies, the government has lifted acreage restrictions on sugar beets effective for the 1967 crop, the Agriculture Department announced.

The 1965 and 1966 crops were covered by acreage limitations. Supplies of sugar processed from beets have been running below amounts needed to meet marketing goals.

But acreage allotments will be continued this year on sugar cane, which is grown in Louisiana and Florida, because there is no shortage of domestically produced cane sugar.

Sunstrom Pleads Guilty To Embezzling

A plea of guilty to a charge of embezzling more than \$100 was entered in Circuit Court Monday by Raymond C. Sunstrom, 43, of Blaney Park.

The charge involves funds missing from the Blaney Park resort operations, according to State Police investigations. The amount is estimated between \$30,000 and \$40,000.

Edward Lee Hamill, who appeared a justice court conviction on a charge of reckless driving, dropped the appeal in Circuit Court and pleaded guilty to a charge of driving 65 mph in a 55-mile zone.

Arnold Moses, charged with unlawfully driving away an auto asked the court to appoint an attorney for him.

Moses has asked for a jury trial, scheduled Jan. 18. Jurors summoned for the court term are to report Jan. 18 at 10 a. m., instead of Wednesday this week.

In action Monday afternoon, Hamill was assessed \$50 fine

and \$50 costs on the auto traffic charge.

Divorces were granted Ernest A. Jenerou from Kay Bernadette Jenerou and to Robert from Mary Ward.

Three divorce matters and a pre-trial are among matters on the docket today.

Adult School Plans Party For Birthday

Anyone who participated or had someone participating in the adult school in the past year has been invited to the program's "first birthday" party Jan. 23 at 8 p.m. in the school. One of the newest groups, a junior high dramatics club, will present a one-act play under direction of Mrs. Ray Schmidt. A coffee hour will follow.

Plan Homemaker Program Series

A series of homemaker programs will be offered through the adult school beginning Jan. 25 with Ingrid Tervonen, home demonstration agent in charge. Decorating, tailoring, upholstery, money management and other interest areas will be covered. The meetings will be from 1 to 3 p.m. in Lakeside School. It is hoped a baby sitting service can be arranged for mothers with small children.

Church Events

**First Baptist**  
The Women's Missionary Society meets at the church at 7:30 p.m. Monday, Mrs. Jay Riley, Mrs. Alton Fox, Mrs. John Carstensen and Mrs. J. Vaughan will be hostesses. Mrs. Edwin Ekdahl and Mrs. Norman Andrews will lead devotions.

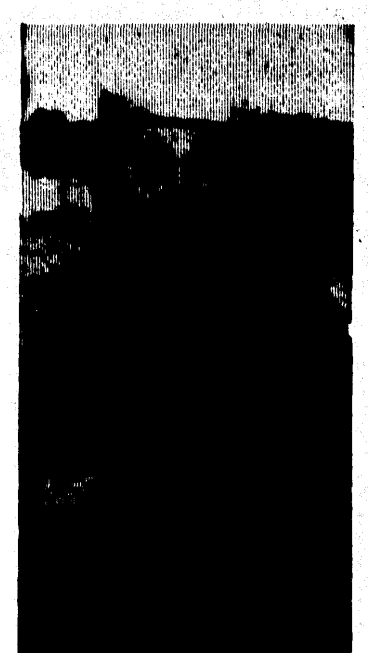

City Briefs

Elton Sample is a surgical patient in room 209, Little Traverse Hospital, Petoskey.

Hospital

Admitted to Schoolcraft Memorial Hospital were Jack Slack, Leo Gardner and James Kaiser.

Discharged were Ernest Eckland, Angus McDonald and Terri Guertin.

**AIRMAN** Second Class Francis D. Derwin, son of Mr. and Mrs. Ernest J. Derwin Jr., 331 Oak St., Manistique, is on duty at Tan Son Nhut AB, Vietnam. Derwin, an air policeman, has been in the war since November 1966. He is a member of the Pacific Air Forces, America's overseas air arm in Southeast Asia, the Far East and the Pacific. He is a graduate of Manistique High School.

Briefly Told

Mrs. Roland Dovey, Thompson was taken by ambulance to Schoolcraft Memorial Hospital at 8:50 a.m. Monday.

A car driven by Jeanne Clausen, 21, of Ensign hit two deer on U.S. 2 in Garden Township at 11 p.m. Saturday, State Police report.

Public Safety officers were called at 1:20 p.m. Jan. 7 to the Francis Siegler home, Gulliver, on fire in the floor of a house trailer. There was some damage.

State Police ticketed Stewart F. Belander, 318 First Ave. S., Escanaba, driving too fast for conditions, Nicholas W. Reems of Grand Rapids and Merceiva R. Whitlock, Naubinway, speeding.

A car driven by Diane Schneider, 16, of 115 N. 3rd, collided with a pickup truck driven by Robert Curley, 76, of 537 Oak St., at 12:35 p.m. Sunday, when Curley pulled from Walnut to Cedar St., and did not see the Schneider car, due to a parked vehicle, Public Safety officers report.

A car driven by Paul Hill, 26, of Cooks hit a parked car owned by James and Letitia Colegrove at 12:45 a.m. Sunday, State Police report. The accident occurred on County Road 442 in Thompson Township. Hill was given notice to appear for violation of basic speed law and Colegrove for improper parking.

**Seaway Toll Hike Requested Of Canada Cabinet**

OTTAWA (AP) - The St. Lawrence Seaway Authority re-affirmed Monday its 1966 proposals for a 10 per cent increase in seaway tolls and for a \$100 Welland Canal lockage fee.

Transport Minister J.W. Pickersill presented the House of Commons a report dated June 30, 1966, saying a toll increase is needed for "legal, financial and economic" reasons.

Canada is making the document public because the U.S. authority, St. Lawrence Seaway Development Corp. publicly announced its recommendations to Washington last week, a transport aide said.

The Canadian authority wants the cabinet to order increases as originally agreed by the two bodies last April 15.

It decided to stand by the original proposals. But the American authority said further Canada - U.S. consultation should be ordered.

The report argues that the present toll structure does not encourage efficient use of seaway capacity.

Opening of the waterway in 1959 resulted in big savings on cargo moving by water from inland ports. Direct savings to users on 1965 traffic of 43.4 million tons was \$78 million compared to pre-1959 costs, the report said.

This was a saving of \$1.80 a ton, which would be reduced only to \$1.75 a ton by the proposed toll increase, the report said.

**Cuts Phone Cable**

PORTALES, N.M. (AP) - An advertising workman got more publicity than he bargained for when he dug a post hole for a sign board Monday.

The workman severed all long-distance telephone service in this eastern New Mexico city when he chopped through an underground cable.

**State Abstract**

EAST LANSING (AP) - Michigan State University's Bureau of Business and Economic Research said Monday it has published a new edition of the Michigan Statistical Abstract, which comes out every two years. The book has 472 pages of statistics on population, education, climate, land areas, income, government, business and other categories.

## Murder Defense Given 20 Days To Ready Motion

MENOMINEE—Circuit Judge Ernest W. Brown has given Kenneth Doyle, defense attorney for Claire G. Slick of Ypsilanti, 20 days to file a legal brief setting forth reasons for "quashing" the murder charge pending.

Doyle entered a motion to "quash," or remove the murder charge from Slick at arraignment Monday.

After Doyle's brief is filed, Prosecutor Russell Bradley will have 20 days to file a reply before Brown rules on the motion.

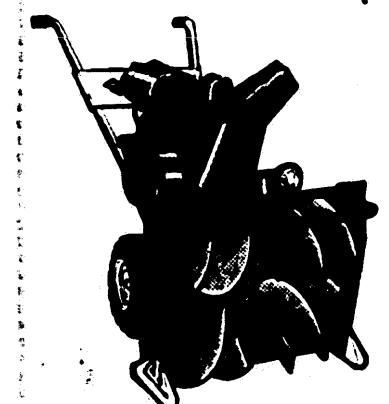

Brown continued the case to the April term of court pending a ruling on the motion.

Slick, 44, of Ypsilanti, is charged with murder in the fatal shooting of Walter (Tony) Wojcik of LaBranche Nov. 18. He is free on \$10,000 property bond, which was continued.

## Briefly Told

Escanaba police have issued traffic court summonses to Robert Heslip, 1800 10th Ave. N., for illegal U-turn and no valid operator's license; and to Betty Majestic, 614 Livingston St., improper address on operator's license — not for following too closely as erroneously reported on Monday.

# Ore Dock Repairs: A Cold Winter Job

ONE OF THE COLDEST JOBS in the area is that of about 160 men who are employed by the Chicago & North Western Railway in annual repairs to the ore dock. Heating rivets (above) gives Steve Paler a temporary warm-up; and (top right) a crew of men on the top of the dock are exposed to the full effect of wintry blasts 70 feet above the ground. Pearson Boiler & Mfg. of Escanaba has the contract for the extensive steel work and (right) rivets are being put into an ore chute by Tom Stone, Dennis Carlson and Steve Paler. The total cost of the work that includes repair of the wooden superstructure as well as the repair of the steel ore chutes will be in excess of \$300,000, said Carl Malmberg, head of the C&NW bridge and building, who is supervising the job. (Daily Press Photos)

## County Govt. Reform Faces Early Deadline

Reapportionment of county boards of supervisors in Michigan must come by May 15, Mrs. Frank Neumeier told the Delta County Republican Women's Club at its headquarters, 707 Ludington St., Monday afternoon.

If the county board of supervisors fails to reapportion itself by May 15, said Mrs. Neumeier, the county prosecutor, county clerk, county treasurer and chairmen of the two political parties will reapportion to conform to the Supreme Court's order for representation on a basis of one-man, one-vote.

**15 Member Board**  
At the present time, some townships in Delta have one supervisor to represent 300 population and some have one for 3,000 population. (Delta County now has 27 supervisors, one each from the 14 townships, nine from the City of Escanaba, and four from the City of Gladstone.)

Under the new law the Del-

ta Board will have only 15 members, all from districts of equal population, averaging 2,500 persons per supervisor. The reapportionment will give the City of Escanaba about 8 supervisors.

Mrs. Neumeier said that change will come not only from reapportionment, but also from home rule in county government. She said that at present county government has no head executive officer, no central purchasing, no central budget.

She said that the county home rule act that has been passed is a very weak reform, not compulsory, but optional.

When the new county board of supervisors is formed, home rule can be implemented by the creation of a charter commission. A commission plan is set up and sent to the governor and then returned when approved for a vote of the people. It would enable people to enact into their county control more control and responsibility to the public by elected officials. Cities operate under home rule laws, setting up their own form of government, just so it doesn't violate the state's authorization.

**Weak Home Rule Act**  
If home rule were voted, county boards of supervisors would be able to levy five more mills in taxes. The limitation is now 15 mills.

Mrs. Neumeier said that civil service could be a part of home rule county government to control partisan politics.

Mrs. Neumeier said that the county home rule bill is such a weak one that it's effect will not be felt for a long time; that it is a step in the direction of improved county government, but a short step and needs beefing up with amendments.

Mrs. Rene Labre, president of the club, announced that the

## Ford River Lions Hear Scout Plan

Duties and obligations of a sponsor in scouting were discussed by Emerson Gage, Boy Scout committeeman, with the Ford River Lions.

Twenty boys are interested in Cub Scouting and den mothers have volunteered, but need of a Cubmaster for the Pack is necessary before the organization can be completed in Ford River, the Lions learned.

The club rescheduled its ladies night program from Jan. 28 to Feb. 11 to avoid conflict with the District 10 observance planned at the Terrace. The Jan. 28 program will also be a ladies night.

Next regular meeting of the club was scheduled for Jan. 23 with dinner at 6:30 p.m. Program chairman is Joseph Rademacher Jr.

## Dies At 111

WARSAW, Poland (AP) — One of the oldest women in the world died over the weekend at Grudziadz, central Poland, the Polish press agency reported. She was Magdalena Trepkowska, age 111.

Next meeting will be Monday, Feb. 6 at 1:30 in GOP Headquarters and the program will be on Escanaba Area schools.

## Oil Tanker Arrives Aided By Cutter

The Coast Guard Cutter Sundew today escorted the tanker Mercury, carrying 42,000 barrels of fuel oil and gasoline, to the Shell Oil Co. Marine Terminal at Wells.

Except that the cutter was required to assist the tanker out of an ice field near Washington Island and cut a channel to the dock here, the late trip of the Mercury was without incident.

The Sundew battled gale force winds to cross Lake Michigan from Charlevoix to reach and free the tanker from about eight inches of ice Monday off Washington Island in northern Lake Michigan. The spot where the tanker was stuck is about 35 miles southeast of Escanaba.

At 8 a.m. today the Sundew was visible coming through Green Bay ice toward Escanaba. The cutter reached the harbor here in a couple of hours and then widened the channel for the incoming Mercury.

The Mercury is a 373-foot tanker with a 52-foot beam—wider than the cutter. Her width made it necessary for the

cutter to make several passes at the channel to help the Mercury squeeze through the seven-inch thick ice of Little Bay de Noc.

Capt. D. H. King is in command of the tanker owned by Cleveland Tankers, Inc., Cleveland, Ohio.

The Mercury left East Chicago, Ind., at 6:30 a.m. Sunday bound for Escanaba. She ran into heavy ice off Hedgehog Harbor at the tip of the Door County Peninsula, said Paul Buchholtz, Shell Oil Co. Marine Terminal foreman.

The Mercury called for assistance Monday morning and the Sundew was dispatched from Charlevoix. The cutter came up to the tanker about 5 p.m. Monday and broke her loose from the ice field. This morning they began moving toward Escanaba.

The tanker's arrival at the Shell Oil Co. dock about 11 a.m. today was not the latest for a vessel to come to Escanaba. Last year tankers came to the Shell Terminal as late as Jan. 10-11, and the Wade Corp. terminal at Wells received a tanker about Jan. 19.

## ATTENTION Senior Citizens

You may obtain aid in filing your 1967 Homestead Tax Exemption at Club 314 located at 330 South 14th St. or the North Escanaba Fire Station until January 20th only.
